

parsing/parsing_general.c

```
graph TD; A[parsing/parsing_general.c] --> B[string.h]; A --> C[stdlib.h]; A --> D[shell.h];
```

A diagram illustrating the dependencies of the file `parsing/parsing_general.c`. The file is shown in a grey box at the top. Three blue arrows point from this box to three separate white boxes below it, representing the header files it depends on: `string.h`, `stdlib.h`, and `shell.h`.

string.h

stdlib.h

shell.h
